25<sup>th</sup> November 2016

Dear Parent/ Carer

## FACEBOOK PERMISSION

We launched the Rothwell C of E Primary Academy Facebook page this week and it's proving to be a huge success.

We would like to include photographs of the children in our Facebook posts and also on the Blog which is on our website.

Children will not be named on any posts added to Facebook.

If you add any posts please note that if they name children, their content is inappropriate or are posts that do not respect the school community, they will be removed.

Please complete and return the permission slip below.

Yours sincerely
