

This Week

Each week we will share with you the attendance for the week. As the newsletter is written on a Thursday evening the attendance we share will be from Friday-Thursday (the last 5 school days).

This week attendance was **97.4%**. This attendance figure has also helped to improve overall attendance to 95%. Thank you and please help us by keeping this going!

Stay and Learn

Year 1 held a stay and learn session for parents on Thursday. Those that were able to attend saw Mr Edwards in action and were really impressed by not only his teaching but the learning behaviour of our pupils. I know that our parents will have come away with lots of ideas to try at home. Mr Edwards plans to do more of these sessions this term and we are looking at rolling them out across school as our parent survey indicated that you would like more ideas on how to help children at home.

Class Chart Reward

On Monday I told you that our pupils had earned 3414 Class Chart Points. Mr Edwards met with School Council who decided with classes that the House with most points would get an additional multi-sports session. Yellow Team won with a massive 1760 points pipping green (1677), blue (1672) and red (1651). The points were close and pupils are keen for their house to win this term.

Report A Concern

We know that children, parents/carers and our local community can sometimes have worries, concerns or requests. We have therefore added a web form on our website in the 'Contact Us' tab as an additional way for those concerns to be reported. The form is simple to use and we are training our pupils to use this form as we know that occasionally they have worries that are hard to talk about. The form is emailed to school and a member of staff will act on the concern appropriately. Please know that we still want you to speak to us or ring us if you can in the first instance as usually things can be cleared up very quickly.

Report a concern form

Hi there, please fill out and submit this form.
