

## Rothwell Church of England Primary Academy PE and Sport Premium Statement 2015-2016

### **What is the PE Funding?**

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014, 2014 to 2015 and 2015 to 2016 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to primary school Head Teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

### **Key Priorities**

- Rothwell C of E Primary Academy recognises the contribution of PE to the health and well-being of our children. In addition, it is considered that a good PE curriculum and extra-curricular opportunities have a positive influence on the concentration, self-esteem, attitude and academic achievement of our children.
- We are committed to ensure that all pupils receive at least 2 hours of high quality well-planned PE per week delivered by confident and well-trained teachers.
- We offer a selection of sports and physical activities as extra-curricular activity as well as cross-curricular and themed days/sessions.
- The school takes part in family and partnership competitions as well as those organised by other agencies,
- We believe primary school experiences are pivotal to our children's future perception of physical activity and the enthusiasm and enjoyment of the pupils at Rothwell C of E Primary Academy is testament to the passion and dedication of all staff. Pupils leave the school equipped to enjoy sport for all its health and social benefits. For those who relish the competitive element, they gain the skills, confidence and relevant experience to succeed at their chosen level and discipline.

### **Management of PE**

- The Academy's strategy in relation to PE funding is coordinated by the Principal and PE curriculum leader in liaison with PE colleagues at our partner high school (DYCA).
- Needs are analysed, issues are identified and priorities set.
- The PE team meets termly to:
  - Review all pupil activities
  - Review the strategies that are employed to deliver these activities
  - Ensure resources are targeted appropriately and in a timely fashion.
  - To recommend additional strategies to support targeted pupils or groups in particular those pupils and families that find it hard to access physical activities outside of school

- In addition we review those pupils that are performing at a higher level than their peers in order that we can support their further development

### **PE Funding**

Financial Year (April 2015 - March 2016) £8,000

In addition we are proactive in sourcing additional funding to develop our physical activity programmes this includes
