Serve Learn Challenge Love

19th May 2017

Dear Parent(s) and carer(s)

Next half term, in Science, year 3/4 are learning about **Living things and their habitats**. We feel this is the ideal opportunity to take both classes to RSPB Fairburn Ings where they will experience wildlife, living things and habitats for real! We will be visiting Fairburn Ings on **Friday 9th June from 9.30am – 2.30pm.**

Children will be taking part in two workshops;

- Living things and their habitat
- Pond Habitat study

Both workshops involve exploring fields and woodlands, investigating different plants and animals in their habitats, using nets to capture minibeasts from ponds, turning logs and stones, ID and record findings and recording evidence of larger creatures found in different habitats.

This experience will be very valuable to children's knowledge and understanding of living things and their habitats.

The cost will be **£12.00** per child. Please ensure this is paid before the trip as non-payment will mean we are unable to take the children on education visits like this in the future.

Please note: We **will be** outdoors all day. Please ensure your child wears suitable clothing including a waterproof coat and wellies. Children will also need a packed lunch (no glass bottles or fizzy drinks please). **All** children will need to bring a drink with them.

Please return the permission slip below to Miss Hetherington or Miss Pritchard by Thursday 25th May.

Thank you.

Miss H and Miss Pritchard

Year 3 and 4 : Fairburn Ings : Friday 9th June 2017

Name of child _____ Year _____

1. I give permission for my child to take part in the visit
2. I have paid via parent pay I enclose £12 as payment for the trip
